In **modernLINK**, an accurate quote will be ensured by entering all of the requested information. After the **ELIGIBLE PROGRAMS** page, you will be asked to verify some information about the applicant before the Insurance Score is ordered. On this page is our disclosure to the insured that credit history as well as other third party reports may be ordered. **You must read this statement to the insured before proceeding.** Below is the text you will see:

In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score. We may also obtain loss history and other consumer reports using a third party. The above information may be used to develop your premium or to determine your eligibility for insurance.
