September 14, 2007

American Family Home insurance Company is pleased to announce enhancements to our Motor Home and Travel Trailer Programs.

### Effective Dates:

New Business – November 1, 2007

Renewal Business – November 1, 2007

### Program Highlights and Changes:

- **Full-Timer Coverage Surcharge has been lowered.** We've reduced the surcharge for this valuable endorsement, which provides liability protection for insureds who use their unit as their primary residence for at least 6 months of the year, making our policy similar to homeowners' coverage.
- **Age of Unit Surcharge has been eliminated.** There will no longer be a surcharge on units 3+ years of age at policy inception.
- **Reduced rates for Class B and Class C Motor Homes.**
- **Travel Trailer Replacement Cost Settlement Option surcharge has been reduced.** This valuable coverage is available for units 0-2 model years in age.
- **Lower Motor Home rates for married insureds, age 51-62.**
